FESTIV'ARTS 2026

2026 marque le bicentenaire de la première photographie (une vue depuis une fenêtre) réalisée par Nicéphore Niépce en 1826. Il nous a paru intéressant de commémorer l'événement en créant un salon international. Nous avons choisi 4 thèmes, trois autour de l'humain (le travail, le voyage et la nature) et un en rapport direct avec le bicentenaire, "vu d'une fenêtre".

Nous remercions pour leur participation tous les auteurs ayant envoyé leurs photos ainsi que les juges qui ont procédé à la sélection:

Gérard Barbier, EFPP, EFIAP/b, GPUcr2, (France)
Olav-Inge Alfheim, EFIAP/p (Norvège)
Klaus Stock, EFIAP/p, GWP.ICS (Suisse)
Et Pierre Tranchard (France), juge remplaçant

Malgré une participation relativement faible, le résultat est d'une qualité remarquable. L'exposition de toutes les photographies primées présentée au théâtre le Prisme d'Elancourt pendant 3 semaines a recueilli un grand succès. Elle sera reconduite en septembre salle de la Mare au Loup au Perray-en-Yvelines avec projection de toutes les images sélectionnées.

2026 marks the bicentenary of the first photograph (a view from a window) taken by Nicéphore Niépce in 1826. We thought it would be interesting to commemorate the event by creating an international exhibition. We chose four themes: three focused on humanity (work, travel, and nature) and one directly related to the bicentenary, "view from a window."

We thank all the photographers who submitted their work, as well as the judges who made the selection:

Gérard Barbier, EFPP, EFIAP/b, GPUcr2, (France)
Olav-Inge Alfheim, EFIAP/p (Norway)
Klaus Stock, EFIAP/p, GWP.ICS (Switzerland)
And Pierre Tranchard (France), alternate judge.

Despite a relatively low participation, the results are of remarkable quality. The exhibition of all the award-winning photographs, presented at the Théâtre le Prisme in Elancourt for three weeks, was a great success. It will be shown again in September at the Salle de la Mare au Loup in Le Perray-en-Yvelines with a show of all selected images.

**GLOBAL PHOTOGRAPHIC UNION
- GPU (former UPI)**

is a worldwide interactive organization for anyone
interested in photography, be they casual, serious
amateurs or professional photographers.

Founded in Goirle, The Netherlands, September
2007, GPU brings together professional and
amateur enthusiasts of all ages and levels of
achievement. As a nonprofit organization, its
mission is to promote and enhance the art and
science of photography in all its phases.

Individual members are offered a wide variety of
activities: photo and digital competitions, photo
exhibitions in different countries, study groups via
mail, web site access, photo books, magazines,
Photo festivals, distinctions, titles, and a raft of
other activities.
